This memorandum contains a recommendation for DD/S approval. Such recommendation is contained in paragraph 6. 2. The basis proposal (Tab A) requests the transfer of positions, corresponding civilian ceiling, and 17 caployees from FE field to FI/RI headquarters. The chief, Fo Division (Tab B) recom-25X9A2 "Actual transfer of functional responsibility is to be accomplished upon actual arrival in headquarters of the field records and equipment. It is enticipated that such action can be taken on or about 1 November 1956. All personnel actions relative to promotion of personnel new sesigned to this sotivity will continue to be processed on the basis of individual merits, and are not to be deferred positing reorganization of the nev in RI Divi . 25X1A 3. The Chief, Budget Division (Tab C) states: The financing of this function and the employees thereunder is in the Pa Division budget for Piscal Years 1957 and 1958. The estimated cost is about \$76,000 for Piscal Year 1957. If the transfer of positions is approved, a Fiscal Year 1957 allocation adjustment can be made between the FE Division and the FI Staff for that part of the year following the transfer date. The financing for Fiscal Year 1956 can be provided in the Fiscal Year 1978 Operating Budgets submitted about June 1957. This effice should be sevised of the estimated amount to be realiseated when the effective date of the transfer is known.

There is no other comment on the subject request."

4. The Director of Personnel (Tab D) states:

"In view of the fact that specific information is not available concerning the duties and responsibilities to be perferred by the incumbents of the positions, this Office cannot formally allocate the positions.

Upon approval of the resesignment of functions, this Office will process a T/O Change Authorization reflecting the titles and grades as currently assigned to the positions. However, before any further action is taken to reassign or promote individuals now assigned to the section, specific information will be required concerning the duties and responsibilities of the positions."

- 5. The Management Staff recommends approval of this transfer and suggests the following considerations and additional Management assistance in connection with those proposals.
 - a. For uniformity of organizational terminology and to distinguish the line of authority the element be identified as the rather than Section, until integrated.
 - b. As seen as practicable after the transfer is effective, the Management Staff will review the organizational pattern of the new element to improve lines of supervision and authority.
 - e. Within 15 months' of the date of this memorandum the functions of the unit should be integrated into the RI organization.
 - 4. After the merging of these functions Management Staff will again review the functions to appraise the manpower demands imposed by the integration of the functions.
- 6. Your approval of this request subject to the conditions cited in this memorandum is resommended.
